

# CHOOSE A QUESTION PLEASE!

123456789101112RuleMyTeam

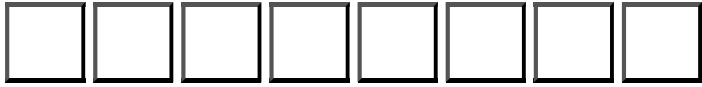

1. The fastest team will earn the right to answer. Each team is allowed to answer only once for each question.
2. The total points for each question are 9 points. The answer includes: **keyword**, **meaning**, and **an example** for the word. The points will be shared equally among the teams to complete the answer together.
3. Incorrect answers will result in a 2-point deduction.
4. The game will end when we run out of questions or when time is up.
